Celebrating **CENTERFOLDS**

PLAYBOY PRESS

For those of us who came of age in the turbulent Sixties, birthdays were both a chronological reality and a political liability. "Don't trust anyone over 30" was

the mantra of the era. Any birthday after 29 pretty much lost its charm during the exuberant Youth Movement. But time marches on for kids too, and Yuppies confronted the aging process by launching the Fitness Age—shaking the kinks out of legs left too long in the lotus position and turning Boomers into an army of exercise fanatics. We became tougher, fitter and younger-looking than our parents were at our age. It was no longer a question of how old we were, but how old we *felt*. Birthdays were back, observed with gusto and unabashed pride. So it is in that spirit of renewed enthusiasm that we present this second volume of *Celebrating Centerfolds*, saluting Playmates with birthdays in March and April—from the oldest, Bettie Page, who

turns 76 on April 22nd, to the youngest, Deanna Brooks, who turns 25 eight days later. Looking over this assemblage of ageless birthday beauty, I got to wondering how these remarkably exciting, sensuous ladies might imagine a perfect birthday. I asked October '94 Playmate Victoria Zdrok (who turned 26 on March 3rd) to describe her ideal observance. "Oh, it would be a day of unlimited pampering and sensual indulgence," she began. "I would wake up late in a king-size bed with silk sheets and goose-down comforter, locked in an embrace with my lover. After great sex, I'd have breakfast in bed. Then my personal trainer would arrive to do my workout for me—but of course I would still derive the benefits," she laughed. "I'd spend the day shopping, and in the evening a limo would arrive to take me to a restaurant already filled with family, friends and colleagues. The waiter would serve me a Sweet Sixteen birthday cake, mistaking me for a teenager, and *everyone* would marvel at how young I looked. Every gift I got would be exactly what I've always dreamed of, I would eat an enormous crème brûlée with strawberries and not gain an ounce, and my lawyer would announce that I'd just inherited millions. Finally," she concluded, "my friends and I would return to a beautiful house full of roses and moonlight. Fireworks would explode as I walked out to the terrace, where my favorite band would be performing live. Meanwhile the heated pool would sparkle and the heart-shaped Jacuzzi bubble in anticipation of a night of endless pleasure." Champagne wishes and caviar dreams, Victoria—and to all our birthday girls.

LETTERS OF THE MONTH

I have to let you know how fascinated I am with Sylvia Kelly from *Voluptuous Vixens II*. I can't get enough of her. I have one issue in my car, one at work and at least five issues at home. Everything about her is great—her face, her body, her breasts. She's got the most amazing breasts I've ever seen in any of your issues. Words can't describe her. ...M.D.

Ed. Save your breath and run—don't walk—to your local newsstand. You'll find more photos of her in "College Girls," which is still on sale.

Greetings from Finland. There is more to life than pretty girls, but I'm convinced life would be a lot duller without them. Congratulations to your staff at Playboy NSS. You're surrounded by the prettiest of them all! ...E.H.

Wow! That's all I find myself saying after looking at the Readers' Choice NSS. Please, please, let Christi Taylor know that if she needs any confidence building she can come to Indianapolis. I'll do my best to show her what a beautiful, sensationally sexy woman she is! Some women are cute, others are beautiful, but Christi has that rare quality of being both! Please, cast my vote for Christi and get her on the next plane to Indy. Here I go again—wow! ...D.W.

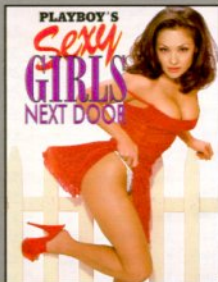

You guys are killing me! Every NSS you put out I want to go and get. The more NSS I have the stronger the feeling there is to get another one. ...R.G.

I'm back on duty in the Middle East and life over here is not great. I just ordered four NSS issues, hoping that my favorite model, Alley Baggett, was featured. There are many things in life that move people, but nothing moves me more than a Playboy model. If you decide to publish my letter, just say "To all the beautiful women who model for Playboy: You are very much appreciated by a bunch of Marines." ...J.K.

The following forms of I.D. will be accepted: driver's license, passport, birth certificate or school I.D. One piece of I.D. must have a current photograph. Photocopies of credit cards will not be accepted. Submissions will be returned only if sent with a self-addressed, stamped envelope.
